**1.0 INTRODUCTION/BACKGROUND**

1.1 The Corporate Risk Register was originally reported through the performance management framework which is reviewed by Overview and Scrutiny Committee. At Corporate Governance Group, which is attended by the relevant Lead Member, the reporting of the register was discussed. There was full agreement that the most appropriate Committee for reviewing the register was the Audit Committee. **2.0 CORPORATE RISK REGISTER**

2.1 The Risk Register was re-introduced in 2014 and reported to Overview and Scrutiny Committee on 9 September 2014. The register was first reported to Audit Committee on 10 December 2014. This is, therefore, the third update to the Audit Committee. The Corporate Governance Group oversees the Council's overall risk management arrangements. The register is a corporate document and has been endorsed by the Corporate Leadership Team. The register can be found in Appendix 1.

2.2 The register is a live document and, as such, risk descriptions may change in time, new risks emerge and current risks mitigated. Any changes to the register will be notified to the Audit Committee, a report will be brought to each Committee. Changes to the register since the last update are shown in bold.

2.3 Corporate related risks are formally discussed at monthly management team meetings with operational related risks forming part of normal business dialogue within the services. The risk register is a high level summary document, risks relating to project type activities such as the Joint Core Strategy and new leisure centre are supported by more detailed project risk registers.

2.4 The risk management framework including the risk management strategy and risk register is programmed for review during the course of 2015/16. This will be supported with training for relevant Officers and Members.
