<b>A – MANAGEMENT AND STUCTURE</b>					
A.1	Implement structural changes to the Development Services service including all necessary consultations with staff.	Head of Development Services / Development Services Management Team	June 2018	✓	Following Council approval in April 2018, the structural changes to Development Services, including all necessary consultations with staff, have been carried out. This includes: implementing the partnership with Gloucester City Council; the appointment of the Technical Planning Manager (in June); and the appointment of the Business Transformation Manager (in August). The Growth and Enterprise Manager was appointed in May and the Hub Navigator in June.
A.2	Investigate further the opportunity for sharing/trading specialist services within the team – e.g. Urban Design, Conservation and Landscape.	Head of Development Services / Development Services Management Team	December 2018	✓	Tewkesbury Borough Council's Urban Design Officer is undertaking work for Gloucester City Council on a regular basis. Whilst we were appointing our Conservation Officer, Conservation Officer services from Gloucester City Council were employed to ensure the continuity of services. Officers are now exploring the possibility of a joint landscape offer with other local authorities in Gloucestershire. Similarly, officers are also exploring a joint planning enforcement role with Gloucester City Council to aid service resilience.
