1.0 INTRODUCTION/BACKGROUND

- 1.1** The work programme detailed in Appendix 1 provides the core work activities of the Committee for 2019/20. The programme as it stands is a combination of standing agenda items such as performance management information, complaints, six monthly policy and strategy updates and new areas of review that have emerged and have been built into the programme.

2.0 2019/20 WORK PROGRAMME

- 2.1** Some of the Committee's work cannot be planned, for example, any new areas of review that may emerge during the year; referral of issues from Council; call-in of decisions etc. The programme is therefore based upon what is known at this point in time but remains flexible, to allow changes to be made where appropriate.
- 2.2** Attention should be drawn to the Committee's Agenda for 18 June 2019 – 'Corporate Policies and Strategies'. On an annual basis, a list of policies and strategies is brought before the Committee. This will further help inform the Committee's work programme.
- 2.3** Another area that traditionally generates additional work activity for the Committee is presentational reviews. The most common source for these types of presentations is when the Committee reviews the performance management information and asks for further, specific information on a Council Plan activity. Presentations are also made by the Council's key partners, as they contribute to the delivery of the Council's priorities. There are also a small number of pending items in the programme which will be brought to fruition during the year.
