## COUNCIL MEETING

23 JANUARY 2024

## AGENDA ITEM 9

### REVIEW OF POLLING DISTRICTS AND POLLING PLACES/STATIONS

#### ADDITIONAL RECOMMENDATIONS

4. To remove numbers from Polling District References and replace them with letters, with any reference to 1 becoming A, 2 becoming B, 3 becoming C, and so on.
  
5. To delegate authority to the Electoral Registration Officer to make any further changes as may be necessary to Polling District References.

#### Notes:

##### Recommendation 4

By way of example, Polling District References BCM1 and BCM2 will become BCMA and BCMB.

##### Recommendation 5

There are no issues of duplication of Polling District References within the scheme presented to Members. However, we must also ensure that no duplication of Polling District References occurs in any Parliamentary Constituency register where cross-boundary arrangements apply. This will need to be done as and when neighbouring authorities conclude their own polling district/place reviews.
