and Councillors:

CL.1 APOLOGIES FOR ABSENCE

- 1.1 Apologies for absence were received from Councillors G F Blackwell, J H Evetts, C L J Carter, D J Harwood, E J MacTiernan, C Mills, J Mills, H C Munro, P W Ockelton, C Reid, P E Smith, R J G Smith and R J Stanley.

CL.2 ELECTION OF MAYOR

- 2.1 With the retiring Mayor, Councillor Andrew Reece, in the chair, it was proposed by Councillor Jim Mason and seconded by Councillor David Gray, that Councillor John Murphy be, and is hereby elected, Mayor of the Borough of Tewkesbury for the ensuing Municipal Year.
- 2.2 On the Motion being put to the meeting it was declared to be carried, whereupon the Mayor took the chair, signed the Declaration of Acceptance of Office and took the Oath of Allegiance to Her Majesty the Queen.
- 2.3 In thanking Members for the honour and privilege of being elected Mayor of the Borough of Tewkesbury, Councillor Murphy announced that his Chaplain would be Canon Reverend Paul Williams of Tewkesbury Abbey and his Mayoress would be his wife, Anne. He indicated that he was delighted to reveal the organisations to be supported by his charity fund for the year would be WAM (We all Matter) Youth which was a voluntary organisation based in Winchcombe that encouraged young people to be confident in their identity and build resilience for life. It ran a variety of projects and services aimed at building and strengthening positive and supportive relationships within the community including youth groups and projects, mentoring, outdoor education and after school clubs; and Sue Ryder Hospice – Leckhampton which was a very well-known hospice locally that supported people and their families through the most difficult times giving compassion and care to help them live the best life they possibly could.
- 2.4 The Mayor indicated that he and his Mayoress were looking forward to representing the Council at events across the Borough and would enjoy meeting and engaging with people from all areas. He undertook to perform the important role of Mayor to the very best of his ability.

CL.3 RETIRING MAYOR - COUNCILLOR ANDREW REECE

- 3.1 Councillor Rob Bird expressed the Council's thanks to Councillor Reece for his service to the Borough. The role of Mayor was quite onerous with the number of events but Councillor Reece had taken to his duties with enthusiasm, humour and gravitas. Councillor Bird felt Councillor Reece had been a wonderful ambassador for the Borough thanks to his natural desire to engage. Despite the strange 12 months of difficulties meaning a number of normal events and duties had not taken place he knew Councillor Reece had still thoroughly enjoyed his time as Mayor and the Council had benefited from the way he had championed the Borough.
- 3.2 Councillor Reece thanked Councillor Bird for his words of thanks and expressed what a privilege it had been to be Mayor, despite the best efforts of a global pandemic. He had enjoyed attending the wide variety of events he had been invited to and meeting the people who worked passionately for the Borough. He had thoroughly enjoyed welcoming back the Mop Fair to Tewkesbury and attending events such as the ARRC Christmas Carol service and dinner with the Honourable Company of Gloucestershire; however, it was the local events which he would treasure the most such as reopening the Post Office in the village in which he had grown up, reopening a local elderly persons care home, judging the fancy dress at a local village fete and reopening the local pub. The organisations his charity fund had supported during the year were Scoo-B-Doo and Severn Area Rescue Association (SARA) and he hoped to be able to advise them of the funds he had raised shortly.
- 3.3 Finally, Councillor Reece advised that Reverend Wendy Ruffle's time as the Borough Mayor's Chaplain had come to an end as she had announced her intention to retire. He thanked her for the many years she had undertaken the role for the Council – actually since 2013 with a one-year break - and indicated what a pleasure it had been for him, and the Mayors before him, to have had her as their Chaplain. He offered his thanks on behalf of the Council and presented a gift and bouquet of flowers as a small token of the Council's thanks and best wishes for her future endeavours, wherever they may take her.
- 3.4 The Worshipful the Mayor, Councillor John Murphy, presented Councillor Andrew Reece with a Past Mayor's Badge and the Mayor's Officer presented Mrs Murphy with the Mayoress' Badge of Office.

CL.4 APPOINTMENT OF DEPUTY MAYOR

- 4.1 It was proposed by Councillor Rob Bird, and seconded by Councillor Bob East, that Councillor Andrew Reece be, and is hereby appointed, Deputy Mayor of the Borough of Tewkesbury for the ensuing Municipal Year.
- 4.2 The Motion was put to the meeting and was carried.
- 4.3 Councillor Reece expressed thanks to his fellow Councillors for their support and indicated that he looked forward to supporting the Mayor during the year.
- 4.4 Councillor Reece accepted the Mayor's Badge of Office and signed the Declaration of Acceptance of Office.
- 4.5 Flowers were presented to the new Mayoress and to Mrs Reece who had been a great support to Councillor Reece during time as Mayor.

CL.16 LOCAL HERITAGE LIST SELECTION CRITERIA FOR TEWKESBURY BOROUGH SUPPLEMENTARY PLANNING DOCUMENT

- 16.1 The report of the Planning Policy Manager, circulated at Pages No. 16-33, attached the Local Heritage List Selection Criteria for Tewkesbury Borough Supplementary Planning Document which Members were asked to adopt with immediate effect.
- 16.2 In proposing the recommendation, the Lead Member for Built Environment explained that the purpose of the Supplementary Planning Document was to establish a robust and standardised procedure for nominating to the local list with the significance of heritage assets on the list being taken into account. This was a national initiative which was being funded by the Department for Levelling Up, Housing and Communities. The document had already been considered by the Executive Committee which had recommended that it be adopted by the Council, subject to no substantive comments being made during the consultation process. No substantive comments had been received during the public consultation so the document was before the Council for adoption. It was also recommended that authority be delegated to the Head of Development Services to make any necessary final corrections and minor amendments to the draft Supplementary Planning Document to enable it to be published in final form. Under that delegation, a minor revision to the wording on Page No. 3 of the Supplementary Planning Document would be made to make it clear that the responsibility for all local heritage list matters would be delegated to the Head of Development Services.
- 16.3 During the discussion which ensued, a Member suggested that some of the pictures of the Borough within the document were not particularly flattering and he asked if any of them could be changed. In response, the Lead Member indicated that the photographs had been submitted as part of the process but Officers could look through and see if any changes could be made. She felt it was important to note the amazing amount of work that Parishes and members of the public had put into their submissions to the list and she thanked them for their efforts. She also noted that, whilst not all heritage assets were pretty, they were still important. Referring to Page No. 7 of the document, a Member noted that the metal bridge in Norton was actually in Northway and Ashchurch Rural so that needed to be amended. There was some discussion about the assets on the list which were in a state of untidiness or disrepair and Members were advised that the Council did not have a responsibility to maintain any of the assets as they were usually in private ownership – their addition to the list signified that people felt they were important but they were not the Council's assets. A Member questioned whether Parishes would be asked to review the list annually to see if any assets needed to be added. In response, the Lead Member indicated that Parish Councils were aware of the list and that it could be added to at any time.
- 16.4 Having been proposed and seconded, it was
- RESOLVED**
1. That it be **NOTED** that no substantive comments had been received in response to the public consultation on the draft Supplementary Planning Document: Local Heritage List Selection Criteria for Tewkesbury Borough or the related Consultation Statement.
 2. That the draft Supplementary Planning Document be **ADOPTED** with immediate effect in accordance with the

resolution of the Executive Committee on 2 March 2022.

3. That authority be delegated to the Head of Development Services to make any necessary final corrections and minor amendments to the draft Supplementary Planning Document to enable the document to be published in final form including amendment to show a delegation to the Head of Development Services for all matters relating to the local heritage list.

CL.17 COMMUNITY GOVERNANCE REVIEW - FINAL RECOMMENDATIONS

- 17.1 The report of the Community Governance Review Working Group, circulated at Pages No. 34-67, set out the final recommendations of the Working Group which Members were asked to approve.
- 17.2 The Chair of the Community Governance Review Working Group indicated that it had been 20 years since the last Parish review and changes as a result of the Tewksbury (Electoral Changes) Order 2018 (Review of Borough Wards) and the extensive level of development in the Borough had necessitated that a full Community Governance Review (CGR) of the Borough's Parishes be undertaken. In June 2021, the Executive Committee had agreed to undertake a Boroughwide CGR, had approved the Terms of Reference and established a Working Group to undertake the review. The Terms of Reference covered the scope of the review which included alteration of boundaries and the number of Parish Councillors. Initial consultation had taken place from 15 June to 15 September 2021 which involved a wide range of individuals and groups being invited to make submissions including MPs, County and Borough Councillors, political parties, Parish Councils and the public via social media and website advertising. 23 submissions had been received and considered in detail by the Working Group which had then prepared draft recommendations that had been endorsed by the Executive Committee on 5 January 2022 and released for public consultation between 3 February and 31 March 2022. Again, all Members were included in the consultation on the draft recommendations as well as those groups, organisations, individuals etc. that were consulted at the initial stage. In response to the draft recommendations, 10 submissions were received from Parish/Town Councils / Parish Meetings, 68 from members of the public, local residents and organisations together with a petition containing 135 signatories. The Chair drew particular attention to a couple of matters together with a few amendments to be included in the draft recommendations as follows:
- Section 5.4.1 to be amended to ensure the view of the Parish Council was accurately represented as it had stated that in its submission regarding the Draft Recommendations (31 March 2022) that the Council had not expressed support for the draft recommendation – amended from:

“It was acknowledged that there was support for, and some opposition to, the draft recommendations, although on balance more support was received to split Dumbleton and Wormington and that this view was shared by Dumbleton Parish Council”.

to

“It was acknowledged that there was support for, and some opposition to, the draft recommendations, although on balance more support was received to split Dumbleton and Wormington. **Dumbleton Parish Council submitted no objection to the draft recommendation based on the letters of representation it had received from parishioners**”.
 - The second amendment was to add a final recommendation as follows:-

“All other Parishes – the boundaries of all other Parishes to remain unchanged”.

In terms of the recommendations of specific note, he referred to Recommendation 4.4.2 – in relation to Coopers Edge – and explained that this was considered very carefully by the Working Group on at least three occasions, and it had a specific meeting to consider the matter. The Working Group was unanimously of the view that a Coopers Edge Parish Council made up of the areas within the Borough will not be beneficial to the residents. It wholeheartedly supported a Coopers Edge Parish Council made up of the three areas of Coopers Edge, which included the area in Stroud, but this was outside the remit of the Working Group and would require a principle area review. Two parts of an area made up of three parts would not work and it would be better for residents to wait for this to be achieved in the future. Secondly, Recommendation 6.4.4 – changes to the boundary between Longford and Sandhurst - there had been a significant public response to the draft recommendation that the land between the A40 and the existing Longford Parish boundary, comprising the community of Walham, be transferred to the Parish of Sandhurst. There was no community support for this recommendation and there was, in fact, significant opposition on the grounds that the area of Walham was closer to Longford, there being no ties between the residents of Walham and Sandhurst, the draft recommendation offering no greater community identity for the residents of Walham, that there was a physical disconnect between Sandhurst and Walham during periods of flooding, and that Sandhurst was a rural community lacking facilities/amenities to accommodate additional numbers but Longford had resources and infrastructure to support the community of Walham. The Working Group’s final recommendation was therefore to leave the boundary between Sandhurst and Longford unchanged.

- 17.3 In terms of the next steps, any consequential amendments to Borough Wards and the four Parishes of Bishops Cleeve, Brockworth, Churchdown and Tewkesbury needed to be approved by the Local Government Boundary Commission for England and, in order for everything to be in place for the 2023 elections, the changes had to be submitted by June. Any changes in the recommendations before Members tonight would require further consultation and would either need to be dealt with separately or, if the whole review was sent back, would not be implemented until the local elections in 2027. The Working Group Chair proposed that the final recommendations in relation to each Parish/Town Council within the Borough of Tewkesbury be approved as set out at Appendix 1 including the two amendments suggested in relation to Paragraph 5.4.1 to clarify the position of Dumbleton Parish Council and an additional recommendation in relation to no changes to the boundaries of all other parishes in the Borough and that the Corporate Director be authorised to request the Local Government Boundary Commission for England (LGBCE) to make related alteration orders to change Borough Wards and County Divisions to reflect the changes made to Parish Boundaries including those Parishes protected as part of the last review forming part of the Tewkesbury (Electoral Changes) Order 2018; and, subject to receiving the necessary consents from the Local Government Boundary Commission for England, to make a Reorganisation of Community Governance Order to implement the changes agreed by Council. The proposal was seconded.
- 17.4 A Member referred to Bishops Cleeve Parish Council and advised that it was concerned about the boundary next to Gotherington and why it would not be moved as well as why the site known as North Cleavelands was not included as, in their view, it put the site at greater risk of being developed. In response, the Chair of the Working Group explained that he could not say how secure a site was going forward but it was not within the Borough Plan and, as such, not seen to be a major issue. In addition, schools were very separate in their boundaries from Parishes - the information was all contained within the report at Paragraphs 3.2-3.4 and the Working Group had nothing to add. A number of Members raised concerns about the area of Coopers Edge not having its own Parish Council and how the divisions

in the area could be overcome. In response, the Chair of the Working Group explained that the Working Group had recognised that Coopers Edge had its own identity and understood that the issue needed to be looked at as a whole; however this was not the remit of the current review. There had been very little feedback from Coopers Edge residents to the consultation compared to other areas. The main issue was that the infrastructure was located within Stroud District and it made no sense to make a Parish Council out of the two residential areas in Tewkesbury Borough if the community would have no infrastructure.

17.5 Having been proposed and seconded, it was

RESOLVED

1. That the final recommendations in relation to each Parish/Town Council within the Borough of Tewkesbury be **APPROVED** as set out in Appendix 1 to the report subject to the following amendments:
 - a. Paragraph 5.4.1 to clarify the position of Dumbleton Parish Council.
 - b. An additional recommendation in relation to no changes to the boundaries of all other parishes in the Borough.
2. That the Corporate Director be authorised to:
 - a. Request the Local Government Boundary Commission for England to make related alteration orders to change Borough Wards and County Divisions to reflect the changes made to Parish boundaries, including those Parishes protected as part of the last review forming part of the Tewkesbury (Electoral Changes) Order 2018.
 - b. Subject to receiving the necessary consents from the Local Government Boundary Commission for England, to make a Reorganisation of Community Governance Order to implement the changes agreed by the Council.
