TEWKESBURY BOROUGH COUNCIL

Report to:	Overview and Scrutiny Committee
Date of Meeting:	20 October 2015
Subject:	Review of Complaints
Report of:	Graeme Simpson, Corporate Services Group Manager
Corporate Lead:	Mike Dawson, Chief Executive
Lead Member:	Councillor M Dean
Number of Appendices:	2

Executive Summary:

Tewkesbury Borough Council has a formal, published complaints procedure. This requires a report to be presented to Overview and Scrutiny every six months, with an update on complaints recorded and managed through corporate feedback management procedures. This report provides an update on the six months from January 2015 to June 2015.

Recommendation:

Members are asked to CONSIDER the information provided and to determine whether any further action is required.

Reasons for Recommendation:

To ensure that Tewkesbury Borough Council's complaints procedure is followed.

To ensure that improvements in the quality and performance of the Council and its services can be shown to be informed through learning from complaints.

To demonstrate that the findings of the Local Government Ombudsman are used to improve Council services.

Resource Implications:

The outcome arising from complaints handling including the findings of the Local Government Ombudsman may impact upon the resources of the authority.

Legal Implications:

The Local Government Ombudsman has power to investigate complaints of maladministration against the Council (subject to certain exceptions) and may make recommendations as to how such complaints may be resolved. Where considered appropriate the ombudsman has the power to issue a formal report on any particular case for consideration by the Council. Although not legally bound to accept any recommendations from the ombudsman it is important that the Council takes careful note of them and learns from any recommendations that he makes.

Risk Management Implications:

If complaints are not handled in accordance with the corporate complaints procedure and the Council does not learn from the complaints received then there is a potential reputational risk to the Council.

Performance Management Follow-up:

Customer complaints, including those made to the Ombudsman are considered every six months.

Environmental Implications:

None directly.
