## **Executive Summary:**

Public Sector Internal Audit Standards (PSIAS) require the purpose, authority and responsibility of the internal audit activity must be formally defined in an Internal Audit Charter. The charter must be periodically reviewed by the Chief Audit Executive and presented to senior management and the board for approval. For the purpose of Tewkesbury Borough Council, the charter defines the 'board' as the Audit Committee and the 'chief audit executive' as the Group Manager, Corporate Services.

## **Recommendation:**

**To APPROVE the Internal Audit Charter.**

## **Reasons for Recommendation:**

To ensure compliance with PSIAS it is a requirement that the 'board' i.e. Audit Committee approve the Internal Audit Charter.

## **Resource Implications:**

None directly arising from this report.

## **Legal Implications:**

None directly arising from this report.

## **Risk Management Implications:**

If a formal Internal Audit Charter is not approved then compliance with PSIAS cannot be demonstrated and internal audit's role within the organisation may not be clearly defined.

## **Performance Management Follow-up:**

The charter will be periodically reviewed by the Group Manager, Corporate Services with any significant changes reported to Audit Committee. The charter will be presented at Audit Committee every three years.

## **Environmental Implications:**

None.

## **1.0 INTRODUCTION/BACKGROUND**

**1.1** Standard 1000 of the Public Sector Internal Audit Standards requires the purpose, authority and responsibility of the internal audit activity must be formally defined in an Internal Audit Charter. The charter must be periodically reviewed by the Chief Audit Executive and presented to senior management and the board for approval. For the purpose of Tewkesbury Borough Council, the charter defines the 'board' as the Audit Committee and the 'chief audit executive' as the Group Manager, Corporate Services.

## **2.0 INTERNAL AUDIT CHARTER**

**2.1** The Internal Audit Charter is a formal document that defines the internal audit activity's purpose, authority and responsibility. The Internal Audit Charter establishes the internal audit activity's position within the organisation, including the nature of the chief audit executive's functional reporting relationship with the board; authorises access to records and defines the scope of internal audit activities. Final approval of the Internal Audit Charter resides with the board (Audit Committee).

**2.2** The Internal Audit Charter must also; define the terms 'board' and 'senior management' for the purposes of internal audit activity; cover the arrangements for appropriate resourcing, define the role of internal audit in any fraud-related work; and include arrangements for avoiding conflicts of interest if internal audit undertakes non-audit activities.

**2.3** The charter was first approved at Audit Committee on 20 March 2013. There are no significant changes to the original charter other than amendments such as updated job titles. The updated charter can be found in Appendix 1.
