**APPLICATION FOR DISPENSATION**

<b>Name:</b>	Councillor Kevin Cromwell
--------------	---------------------------

**Matter to be considered**

Pre-submission version of the Tewkesbury Borough Plan 2011-2031 – In particular RES4 New Housing at Other Rural Settlements

**Nature of Interest**

Appendix B (Other Interest) – Gloucestershire County Councillor

**Date upon which consideration of matter will take place  
(i.e. date of the meeting if known)**

30 July 2019

**Reasons for application (please give detailed information and reasons as to why you believe dispensation should be granted in respect of your interest for which dispensation is sought)**

The Borough Plan will help shape the future of the Borough including making provision for housing and employment land. The proposals within the Plan affect everyone that lives and works in the Borough and I have been elected to represent the interests of both my own Ward and the Borough as a whole. It is of vital importance that, as a local Member, I am able to participate fully in the decision on this document, of which the Gloucestershire County Council land ownership affects only part. Therefore I am seeking dispensation on the grounds that my participation in the matter at the meeting on 30 July 2019 is in the interests of persons living within Tewkesbury Borough.

Signed:  ..... Dated: 24/7/2019 .....

### **Circumstances in which dispensations may be granted**

On the 26 June 2012 the Council delegated authority to the Monitoring Officer to determine applications for dispensations in circumstances where (a) or (b) apply. All other applications for dispensations must be referred to the Standards Committee for determination.

- (1) Application for dispensation must be in writing.
- (2) Dispensation may be granted only if, after having had regard to all relevant circumstances, it is considered that:-
  - (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business,
  - (b) without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business,
  - (c) granting the dispensation is in the interests of persons living in the authority's area,
  - (d) it is otherwise appropriate to grant a dispensation.
- (3) A dispensation must specify the period for which it has effect, and the period specified may not exceed four years.

**Matter to be considered**

Pre-submission version of the Tewkesbury Borough Plan 2011-2031 – In particular RES1 New Housing at Other Rural Settlements

**Nature of Interest**

Proposed policy RES1 proposes land adjacent to Oxbutts Caravan Park for residential development (mobile homes). Members of my close family (Mother and Uncle) own land adjacent to the proposed development, but neither myself nor any family members own any land which is proposed for development.

**Date upon which consideration of matter will take place  
(i.e. date of the meeting if known)**

**Reasons for application (please give detailed information and reasons as to why you believe dispensation should be granted in respect of your interest for which dispensation is sought)**

I have been elected to represent my ward (Cleeve Hill) and consider that the responsibility to represent my ward and to act in the interests of the Borough generally outweighs the interest which I have declared in the draft Borough Plan.
