1.0 SITE DESCRIPTION AND PROPOSAL

- 1.1. The application site relates to 12 Sandown Road, a semi-detached bungalow located on a housing estate in Bishops Cleeve (site plan attached).
- 1.2. The proposal is for a single storey rear extension and the retention of a front porch. Revised plans were submitted on the 21st July (plans attached).
- 1.3. A Committee determination is required as the Parish Council are objecting to the proposal on the grounds of the porch being out of keeping with the dwelling itself and neighbouring properties. They also consider that the rendered finish, width and design of the windows on the front elevation are out-of-keeping with neighbouring properties. The design creates a break in harmony and is not in balance with the adjoining semi-detached property. The porch was also completed without planning permission.

2.0 RELEVANT PLANNING HISTORY

- 2.1. There is no recent / relevant planning history.

4.0 CONSULTATIONS

- 4.1. Parish Council – Object on the grounds of the porch being out of keeping with the dwelling itself and neighbouring properties. The rendered finish, width and design of the windows on the front elevation are out-of-keeping with neighbouring properties. The design creates a break in harmony and is not in balance with the adjoining semi-detached property. The porch was also completed without planning permission.

5.0 PUBLICITY AND REPRESENTATIONS

- 5.1. The application has been publicised through the posting of a site notice for a period of 21 days.
5.2. No letters have been received from local residents.

6.0 POLICY CONTEXT

- 6.1. Section 38(6) of the Planning and Compulsory Purchase Act 2004 requires that proposals be determined in accordance with the development plan unless material considerations indicate otherwise. Section 70 (2) of the Town and Country Planning Act 1990 provides that the Local Planning Authority shall have regard to the provisions of the Development Plan, so far as material to the application, and to any other material considerations.
6.2. The Development Plan currently comprises the Joint Core Strategy (JCS) (2017), saved policies of the Tewkesbury Borough Local Plan to 2011 (March 2006) (TBLP), and a number of 'made' Neighbourhood Development Plans.

- 6.3. The Pre-Submission Tewkesbury Borough Plan was submitted to the Secretary of State for Housing, Communities and Local Government on 18 May 2020 for examination. On the basis of the stage of preparation it has reached it is considered that the plan can be afforded at least moderate weight. However, the weight to be attributed to individual policies will be subject to the extent to which there are unresolved objections (the less significant the unresolved objections, the greater the weight that may be given) and their degree of consistency with the NPPF (the closer the policies to those in the NPPF the greater the weight that may be given).
- 6.4. The relevant policies are set out in the appropriate sections of this report.

7.0 ANALYSIS

Design and Visual Amenity

- 7.1. JCS Policy SD4 of the Joint Core Strategy sets out requirements for high quality design while Local Plan Policy HOU8 provides that development must respect the character, scale and proportion of the existing dwelling and the surrounding development.
- 7.2. The Parish Council have objected on the grounds that the porch by reason of its size, design and materials is out of keeping with the street scene. The Parish Council's concerns have been noted, however, there are other similar sized porches along this road and on this housing estate. A slightly smaller porch would also fall within 'Permitted Development.' The applicants could also have rendered the dwelling without planning permission as part of the property was already rendered. Finally, the changes to the windows on the front elevation would also fall within permitted development.
- 7.3. It is considered that the proposed single storey rear extension would be of an appropriate size and design in keeping with the character and appearance of the property. Therefore, the proposal would have an acceptable impact on the character of the surrounding area and complies with the requirements of Policy HOU8 of the Local Plan and Policy SD4 of the JCS.

Effect on the Living Conditions of Neighbouring Dwellings

- 7.4. Policy SD14 of the JCS requires that new development must cause no harm to local amenity including the amenity of neighbouring occupants. Local Plan Policy HOU8 provides that extensions to existing dwellings should not have an unacceptable impact on adjacent property and residential amenity. In this regard, Policy 5.1 states that the amenities of neighbouring residential occupiers should not be unduly affected by overlooking, loss of light, over-dominance or disturbance.
- 7.5. Other material policy considerations include national planning guidance contained within the National Planning Policy Framework 2018 and the emerging Tewkesbury Borough Local Plan (Preferred Options Consultation) 2011-2031.
- 7.6. The impact of the proposal upon neighbouring properties has carefully been assessed and it is considered that there would not be an undue impact upon their amenity in accordance with Policy HOU8 of the Local Plan and Policy SD14 of the JCS.

8.0 CONCLUSION AND RECOMMENDATION

- 8.1. Overall, it is considered that the proposal would not be harmful to the appearance of the existing dwelling nor the surrounding area and it would not result in an unacceptable loss of residential amenity to neighbouring dwellings. The proposal would also be of an acceptable size and design. It would therefore accord with relevant policies as outlined above and is recommended for permission.
