1.0 INTRODUCTION/BACKGROUND

1.1 The Overview and Scrutiny function must deliver the work required of it as set out in the Council's Constitution. The Committee has a formal work programme for the year and it ensures the volume of work does not compromise the depth of examination required, does not duplicate the work of other Committees and adds value.

2.0 OVERVIEW AND SCRUTINY COMMITTEE ANNUAL REPORT

2.1 Not only is it a requirement of the Council's Constitution to report the activities of the Committee on an annual basis but it is good practice.

2.2 Over the past year, the Committee has once again been at the heart of the Council's decision-making process and supported the Executive Committee in helping shape and inform the Council's decision making. This year's annual report includes a brief summary of the role and responsibilities of Overview and Scrutiny, the work undertaken over the past year and the various outcomes.

2.3 The Overview and Scrutiny Committee held its first-ever virtual meeting in July 2020, thanks to the use of improved technology. It was a great success and has continued for the remainder of the municipal year as the pandemic continues. Despite the disruptions, the annual report highlights that the Committee has scrutinised a range of topics and has once again helped to shape and inform Council decisions and provide support to key areas.

2.4 The Committee's work has been undertaken through a combination of the following:

- Progress reports from Officers on the delivery of key strategies and policies. For example, the Committee receives update reports on key strategies such as the Customer Care Strategy, Economic Development and Tourism Strategy, Workforce Development Strategy, and Communications Strategy etc.
- Quarterly performance management reporting – The Committee receives a quarterly performance tracker report on the progress of delivering Council Plan and COVID-19 Recovery Plan actions, Key Performance Indicators and financial outturn performance. Further scrutiny led to additional presentations and reports on areas such as the tourism review, Tewkesbury 2021 project and the trade waste service - looking at maximising the commercial opportunities for the service.
- Working Groups to review specific areas of interest - as a direct result of the COVID-19 pandemic, Working Groups have been limited during the course of the year but two Working Groups continued to review the Parking Strategy and Depot Services.
- Presentations from Officers and external organisations - presentations were received during the year from organisations such as the Citizens' Advice Bureau and an external consultant provided an in-depth presentation for the tourism review.
- Other general scrutiny reviews - the Committee reviewed multiple reports which arose from two Council motions - to support the Tech Talent Charter and support for a local Electricity Bill. The Committee also received updates from the Gloucestershire Economic Growth Scrutiny Committee, Gloucestershire Police and Crime Panel and Gloucestershire County Council Health Overview and Scrutiny Committee.

2.2 The Overview and Scrutiny Committee, subject to minor textual amends, endorsed the annual report at its meeting on 6 April, and approval by Council will fulfil the reporting requirement within the Council's Constitution. The 2020/21 annual report can be found at Appendix 1.
