**Ongoing growth prioritisation levels**

- 1 The request has been previously agreed / allocated
- 2 The request is to meet a new, mandatory government requirement where existing capacity is insufficient
- 3 The choice been made for us and is unavoidable
- 4 The request will generate additional direct income or savings in excess of the cost of growth and can therefore support other growth bids
- 5 The request is for a statutory service area and is unavoidable
- 6 The request is for a support service area and is required to maintain essential infrastructure
- 7 The request is for a support service area and is required to maintain current core support levels to front line services
- 8 The request is for a discretionary service area and supports a council priority
- 9 All growth items that don't meet previous levels
