1.0 INTRODUCTION

1.1 Tewkesbury Borough Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements of its affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk.

1.2 The Accounts and Audit Regulations 2015 require an authority to conduct a review at least once in a year of the effectiveness of its system of internal control and include a statement reporting on the review with any published Statement of Accounts (England). Regulation 6 (1) (b) of the Accounts and Audit Regulations 2015 require that for a local authority, the statement is an Annual Governance Statement. The Annual Governance Statement should be approved at the same time as, and certainly no later than, the Statement of Accounts. The Annual Governance Statement has been developed in accordance with 'Delivering Good Governance in Local Government: Framework (2016)'. The proposed Annual Governance Statement for 2022/23 can be found at Appendix 1.

1.3 The Good Governance Framework is based on seven principles of corporate governance which are set out below and which are underpinned by supporting principles and requirements.

- Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.
- Ensuring openness and comprehensive stakeholder engagement
- Defining outcomes in terms of sustainable economic, social and environmental benefits.
- Determining the interventions necessary to optimise the achievement of the intended outcomes.
- Developing the entity's capacity, including the capability of its leadership and the individuals within it.
- Managing the risks and performance through robust internal control and strong public financial management.
- Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

2.0 REVIEWING THE GOVERNANCE ARRANGEMENTS

2.1 The review is undertaken by the Corporate Governance Group and is based on the sources of assurance that are demonstrated in the documented governance framework diagram, illustrated within the Annual Governance Statement. The diagram succinctly demonstrates the wide coverage of the Council's governance framework.

2.2 The statement will be subject to review by the Council's external auditors to give assurance that it has been produced in compliance with guidance and is a fair reflection of the Council's governance arrangements.
