## **1.0 INTRODUCTION**

**1.1** It is a requirement of the Public Sector Internal Audit Standards (PSIAS) that the Chief Audit Executive (Director: Corporate Resources) reports formally to the 'board' (Audit and Governance Committee) on the work of internal audit. The monitoring report provides the Audit and Governance Committee with an overview of the work completed by internal audit. This includes a level of assurance as to how well the internal control environment is managed for each audit assignment undertaken. Attached at Appendix 1 is the work completed in the period.

## **2.0 COMPLETED AUDIT ASSIGNMENTS FOR THE PERIOD**

**2.1** When reporting, a 'split' opinion is given. This means an individual opinion is given for each risk category identified. This approach enables internal audit to identify to management specific areas of control that are operating well and those that are not. Assurance opinions are categorised as 'substantial, reasonable, limited or no assurance'. The audit opinions can be found in Appendix 1.

**2.2** Overall, from the individual opinions given, the conclusion is positive. All opinions given during the period conclude at least a reasonable level of control, with no 'high' recommendations made. The audits conclude that, for the assignments completed, there are no significant areas of concern.

**2.3** With regards to work in progress, audits in relation to S106 agreements, budgetary control and the council's commercial property portfolio are underway. The conclusion of this work will be presented to committee in September 2023.

## **3.0 FOLLOW-UP OF INTERNAL AUDIT RECOMMENDATIONS**

**3.1** All audit recommendations that were due to be followed-up in the period have been followed-up. This provides the Committee with an overview of the breadth of work undertaken and allows Members to monitor the implementation of the audit recommendations. The list of these recommendations and their status can be found in Appendix 2. Of the 3 recommendations followed up during the period, two have been partially implemented and one mitigated.

## **4.0 CONSULTATION**

**4.1** All managers are consulted prior to the commencement of the audit to agree the scope and each manager has the opportunity to comment on the draft report and complete a client survey at the end of the audit. The status of audit recommendations is reported on a regular basis to Leadership Team.

## **5.0 ASSOCIATED RISKS**

**5.1** If the CAE does not report functionally to the board then this does not comply with PSIAS. If there are delays in response to the acceptance or implementation of internal audit recommendations, this potentially increases the risk of fraud, error, inefficiency or areas of non-compliance within the systems audited.

## **6.0 MONITORING**

**6.1** An internal audit monitoring report of work undertaken during the period is presented at each Audit and Governance Committee.

**7.0 RELEVANT COUNCIL PLAN PRIORITIES/COUNCIL POLICIES/STRATEGIES**

**7.1** The work of internal audit supports the internal control, risk mitigation and governance of Council Plan priorities.
